**ASSISTANT GENERAL MANAGER - The King's Arms, Shaftesbury**

**Up to £32,000 per year**

We are on the hunt for a motivated Assistant General Manager to work with us at The King's Arms in Shaftesbury.

Working with us at the KA means working with Chickpea Group - a handful of pubs with rooms and pizza shops nestled in the South West. We're a young and rapidly growing hospitality business and the people we employ are the face of the business. You'll be joining a group of excellent people and you'll have the opportunity to move across the business if you wish. The role would suit someone aspiring to be the next Chickpea General Manager.

As the AGM, you will work closely with our GM, Luke, and your day-to-day will involve:

- Serving and hosting guests.
- Ensuring company standards are achieved.
- Make sure all opening and closing procedures are completed.
- Training and developing team members.
- Cash and stock handling.

We'd love it if you had experience:

- In a management or supervisory role within the hospitality industry.
- Strong leadership skills with the ability to motivate and inspire a team.
- Excellent customer service skills with a focus on creating a welcoming atmosphere.
- Knowledge of food and beverage operations, including cellar management and stock control.

What's in it for you?

- A weekend off every month.
- Discounts across the group.
- Monthly team rewards.
- £100 voucher on your birthday.
- A fair share of gratuities.
- A formal (and informal) training program.
- A scope to progress across the group.
- Supplier trips + away days.
